Hi, _____! I hope this message finds you well. My name is Connor, I'm a intern working with the Data Library Services Team on a project translating some data books that we are cataloging.

I'm reaching out to see if you might have capacity to translate some catalog information from [x] books in [language] in the next couple of weeks? It should hopefully only take you 10-15 minutes max

That's wonderful! Thank you so much, I really appreciate it :-)

Could you please fill out [this form](#) for each book when you have a chance, or if it would be easier for you, you could send me the following information here:

Book Number (on sticky note attached to book):

Title:

Primary Author:

Secondary Author(s):

Publisher:

Publication Year:

Country:

Table of Contents:

I'm attaching the images of the books for reference, but if you'd prefer I have the physical books so I could drop them off at your desk if you work in-office. Let me know if you have any questions. Thank you again!
